Anchorage - Campbell Park Area Traffic Calming Study

State Funding Requested: \$100,000**House District: 17 / I**

One-Time Need

Brief Project Description:

Assess the positive safety impacts that traffic calming measures may bring to the neighborhood streets in the Campbell Park Community Council area.

Funding Plan:

Total Project Cost:	\$100,000
Funding Already Secured:	(\$0)
FY2023 State Funding Request:	(\$100,000)
Project Deficit:	\$0

Funding Details:

The project has not started and remains on the MoA Needs List for future evaluation and funding consideration. The estimated cost of the project is \$100,000.

Detailed Project Description and Justification:

There is the perception among property owners that vehicle speeds on neighborhood streets are excessive and therefore unsafe for residents, especially children. There is particular concern in the area surrounding Tudor Elementary School.

The goal of the project is to assess the positive safety impacts that traffic calming measures may bring to the neighborhood streets in the Campbell Park Community Council area. The primary focus will be on Little Tree, Shelikof, and Chirikof Streets.

This project is currently number 2 on the 2022 Campbell Park Community Council's Capital Improvement Priorities list and was the number 1 priority in 2021.

Project Timeline:

The project has not started and timeline is contingent on funding.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:
